Now Enrolling!!!

TCAction's Head Start Programs support family well-being by helping parents achieve family goals, such as housing stability, continued education, food stability and financial security.

**We still have a few spots open in our program in Tompkins County:

Stop In & Play!

We have made some additions to our Main Office location at 701 Spencer Road, Ithaca. There is now a children's play area. This play area gives children something to do while their caregivers conduct business. There are now toys, books and art supplies that match our Head Start classrooms for children to enjoy while they wait.

A computer is now available in the lobby for public use with an internet connection and a printer. This computer station is available to search employment opportunities, identify housing options, and apply for online benefits. This computer can also be used to complete online TCAction applications & food pantry orders.

Stop in and check it out!

From all of us at TCAction, we wanted to take a moment and say *Congratulations Kimmy!*

We are all so proud of you – keep up the great work!
